2. The Central Bread Supply Center is equipped with 30 ovens producing daily a total of 80,000 double loaves of dark bread of 1,400 grams each for the exclusive use of the Communist "cadre personnel" in civilian Government service. The Center operates its own flour mill and produces daily 80,000 kilograms of flour.
3. The Central Bread Supply Center employs 485 workers recruited from among young men of unreliable political background. The food of these workers consists of 50 grams of marmalade and a coffee substitute in the morning, two vegetables at lunch, and two vegetables in the evening. In addition they are rationed 750 grams of bread daily. On Thursdays and Sundays meat portions are served. The workers are given discarded army uniforms to wear at work.
